1. Practice starts at 6:00, play starts at 6:30 PM. If all players are not present the missing player must be placed last on the roster and game play shall begin. If round one has compiled before the missing player is ready games are forfeited and the player will receive his/her handicap (max 7 points). Games can not be made up after the next round has started.

2. Official ACS rules for 8 balls will be used. Point scoring, 1 point per pocketed ball and 3 points for the 8 ball. Winning player received 10 points and losing player receives one point for each ball pocketed. Handicaps will be set/tracked by the league director and will be to one decimal place. Example below;

- Team 1 - (Player 1) 7.8, (Player 2) 7.0, (Player 3) 8.4 The total team handicap is 23.2

- Team 2 - (Player 1) 8.1, (Player 2) 7.4, (Player 3) 9.2 The total team handicap is 24.7 **Bouns handicap applys when a team handicap is over 22. If both team handicap exceed 22, use the difference.*

In this example the total team handicap difference is 1.5. 1.5 is then multiplied by 2, resulting in a **3.0** difference.

- Team 1 gets a **Base** handicap of 3.0.

***Bonus** handicap: Each point over 22 will be a direct add to the base handicap.

Example below;

- To determine the bonus handicap use the difference over 22: $24.7 - 23.2 = 1.5$ is the bonus handicap.

Then add the **Base** handicap of **3.0** & the **Bonus** handicap of **1.5** for a total handicap of 4.5 then rounded +/- for total round handicap including the bonus handicap of 5.

****If base handicap is less than 1.0, teams play even.**

3. Each team is allowed a 5-minute break between rounds for smoking or bathroom breaks. Do not head for the bathroom or for a smoke break when it's your turn to play or you will forfeit your game and score your handicap (max 7 points).

4. You may substitute one player after either of the first or second rounds. Each team may have 3 to 6 players on it's roster. No team may add a player after the mid-season.

5. No coaching when your player is at the table. Second warning for coaching will be a loss of game. Exceptions are: **Player may ask team caption once per game for advice. The team caption may take a time out once per round to discuss, rules, strategy, etc.**

6. When a player loses their turn they must sit down or move away from the table so as not to distract the player at the table.

7. If any disputes, with no witness to the occurrence, the player shooting shall prevail. If there is a witness to the dispute, the team captains we'll have the final vote. As a last resort, the game will be replayed.

8. Any unsportsmanlike conduct by a team member shall result in a loss of game and a 10-0 score.

9. In case of slow play, the host may impose a 30-second time limit per shot.

10. If a team wishes to reschedule a match, they must coordinate with the opposing team for a makeup match outside of the typical league night and they must pay the opposing team's dues. If players cannot reschedule the following forfeit rules apply: The Forfeited player will receive his/her handicap (max 7 points). Forfeit points do not count towards points or games played for the missing player. **Full weekly dues are due, regardless of how many individual matches are played.**

11. The host is responsible for the following;

Providing Stats & Score sheets on league night for the 2 teams that will play on your table.

Collecting the score sheets and emailing to the league director. **Scores sheets should be provided no later than 2 days after play in order to allow time for stats to be updated for the next league night.**

12. The team with the most round wins at the end of the season will be the league champion. In case of a tie, the teams will have to schedule a playoff.
